Social Time Starts at 5:00pm
Speaker 5:30pm – 6:30pm
Dinner and Chapter Business Follows Speaker

The Chateau Restaurant
95 Turnpike Road
Westborough, MA 01581

New England Chapter

Code Jeopardy is Back!

That's right, New England's own Lori Greene of Allgion is back, and we've asked her to lead us in a spirited round of 'Code Jeopardy'. It's been quite a while since we've discussed codes at a DHI meeting, and this is the most entertaining way to do so. As industry representatives, it is imperative that we be well versed in Life-Safety, and Fire codes. Since the codes are constantly being revised, we can all benefit from Lori's expertise. This meeting is for both seasoned veterans and industry rookies alike.

We are going to format the meeting slightly different for this subject matter (This has proven to be more effective in other regions). We'll have a brief initial social gathering at 5PM (or earlier for those who can make it). Code Jeopardy will start promptly at 5:30, and run for about 1 hour (or slightly longer). Dinner will immediately follow. We will wrap up the evening up with a brief update on local DHI business. (Save the date for our next meeting, May 8th, details to follow)

Thank you all, and we'll see you in March!

Brendan Daley
New England Chapter President of DHI

Reservation Page

Yes, I would like to attend the meeting and engage in the conversation. The meeting is \$40.00 per person, and includes a great buffet dinner, dessert & soft drinks. A cash bar will be available at an additional cost.

You may pay by check or cash at the meeting.
Credit cards may only be used through the chapter website at <http://www.dhine.org/>

We ask that you still RSVP using one of the choices below.

RSVP's must be received No Later than
Feb 27th to Bert Sullivan at:
